INTRODUCTION

Assalaamu Alaikum,

The following pages list the latest information on halaal certified outlets throughout Trinidad and Tobago.

We encourage you to support these outlets as together we strive to provide healthy, halaal food for Muslims and non-Muslims alike.

We also request that you be aware that many establishments claim their food is halaal, some even use Darul Uloom halaal certificates without permission- a properly certified outlet will have a valid halaal certificate with the outlet's name. If you are ever in doubt, please contact the Darul Uloom Halaal Committee office or visit our website or send us a message. We have recently begun to offer our Halaal logo to companies so this will soon be visible on a range of halaal products insha Allah. We look forward to continue to provide you with reliable information on halaal outlets and products.

Current information on halaal can be obtained from the Darul Uloom website:

or you can contact us at:
